## THE LOVE OF GOD

- The love of God has been shed abroad in my heart by the Holy Ghost. I shall endeavour to let that love nature dominate me. I have God's love nature in my heart – in my spirit.
- Therefore, I will not let my natural human reasoning dominate me. I refuse to allow the flesh to rule me.
- I'm going to walk in the Spirit by walking in love. I am a lover not a hater.
- I will practice and exercise the fruit of love so that it will grow and increase.
- One way I will practice the God-Kind of love is by taking no thought for a suffered wrong.
- I will make the love of God my great quest in life, for then my love shall abound and God shall reap the glory.
- I will walk in God's love. I will not criticize others because God's love works no ill to his neighbour.
- When I am walking in God's love, I can claim God's best blessing in life. I will be tender-hearted and forgiving; therefore I shall reap a blessing.
- I will keep my tongue from speaking evil and pursue peace with every man.
- I thank you Father that as I endeavour to grow in the fruit of love, You will help me be all that I can be in you.

### 1 Corinthians 13:4-8 (AMP)

<sup>4</sup>Love endures long and is patient and kind; love never is envious nor boils over with jealousy, is not boastful or vainglorious, does not display itself haughtily.

<sup>5</sup>It is not conceited (arrogant and inflated with pride); it is not rude (unmannerly) and does not act unbecomingly. Love (God's love in us) does not insist on its own rights or its own way, for it is not self-seeking; it is not touchy or fretful or resentful; it takes no account of the evil done to it [it pays no attention to a suffered wrong].

<sup>6</sup>It does not rejoice at injustice and unrighteousness, but rejoices when right and truth prevail. <sup>7</sup>Love bears up under anything and everything that comes, is ever ready to believe the best of every person, its hopes are fadeless under all circumstances, and it endures everything [without weakening].

<sup>8</sup>Love never fails [never fades out or becomes obsolete or comes to an end].
